Support Education

The Main Event is The Montessori School's signature annual fundraising event, drawing over 150 caregivers, alumni families, community members, faculty, and staff for an evening of celebration and philanthropy. Proceeds will support classroom materials and the tuition assistance program. The last event held raised over \$16,000 in net proceeds. We are hoping to far surpass that goal this year.

About The Montessori School

The mission at The Montessori School is to inspire children to love learning, create, and make the world a better place. The programs at The Montessori School are firmly grounded in the principles that are carried out through the expertise and guidance of highly trained, credentialed Lead Guides. Children ages 2 to 12 years old benefit immensely from these adults, who educate, nurture, and cultivate the intrinsic curiosity within each of them.
