

The Montessori School

February 21, 2024

Dear Local Business Owner:

The Montessori School writes this letter with excitement and gratitude as we prepare for our annual Main Event fundraiser. Proceeds from the event will support the tuition assistance program to help make tuition and classroom materials more affordable to all students.

The Montessori School's mission is for children ages 2 years, 9 months - 12 years of age and their families to experience an individualized education that builds the foundation for a life of success and a love of learning through specialized teachers, lessons, and materials.

The Main Event will be held on Friday, April 26, 2024, from 6:00 to 9:30 pm at The Fountains Banquet Center in Parchment. Last year's auction generated more than \$16,000, which was made possible by the generous contributions from local businesses like you.

Here's how you can help:

Please consider contributing an item that can be auctioned at the fundraising event. Largely successful items include food and beverage tastings, group dinners, trial memberships, and day excursions or experiences for a small group. Merchandise and certificates are also warmly welcomed. Donors will be recognized in the event program, with their logos on the bid sheet, and announced at the event. The Montessori School is a non-profit 501 c3 and all donations will be tax-deductible with a letter sent upon receiving your donation.

Thank you for your time and consideration of this important event. With your support, we can continue the tradition of excellence in education and build strong, responsible individuals who contribute to the community and world.

In community,

Jessica Hagen & Megan Johnston
